In 2014, Building Futures launched the San Leandro Street Outreach and Warming Center Program in partnership with April Showers, and the City of San Leandro. Hosted by First United Methodist Church, the Warming Shelter is open on nights when cold weather or rain is forecast. The program runs from November to April. To access the San Leandro Warming Shelter, guests must first register with the San Leandro Housing Resource Center. Warming Shelter guests receive: Clean, warm overnight shelter; Dinner and breakfast; Linkage to Coordinated Entry System for housing services; Referrals to the Alameda County Health Van; Linkage to community and mainstream services; Linkage to primary medical, dental, and mental health services.
