Holiday Gift Drive

Your group can help brighten the holidays for homeless children, individuals, and recently housed families!

With your group or organization's gifts to Building Futures, you will ensure help for our children, parents, and individuals who turn to us for help. Your gifts make a real difference in the lives of our neighbors in need.

You can arrange to drop off your gifts, plan a gift drive or create your own online campaign, by emailing give@bfwc.org!

All items must be new and unwrapped.

Thank you for your support!
